ELIGIBILITY CERTIFICATION SPECIALIST II

DEFINITION

Under general supervision, determines initial and continuing eligibility of clients for one or more public assistance programs; makes referrals to other agencies as needed; and performs related work as required.

EXPERIENCE AND TRAINING REQUIREMENTS

Two years of public contact work experience which involved interviewing people for the purpose of gathering information and explaining policies; OR one year as an Eligibility Certification Specialist I in Washoe County; OR an equivalent combination of training and experience.

LICENSE OR CERTIFICATE

A valid driver's license is required at the time of appointment.

DISTINGUISHING CHARACTERISTICS

This is the journey level class in the Eligibility Certification Specialist class series. This class is distinguished from the Eligibility Certification Specialist I class by its ability to complete assignments independently with respect to determination of initial and continuing eligibility, and authorizing payment for public assistance.

SUPERVISION EXERCISED

None.

EXAMPLES OF DUTIES (The following is used as a partial description and is not restrictive as to duties required.)

Interview people of diverse socio-economic, age, cultural backgrounds and in crisis situations in County offices, private homes and medical facilities to elicit information to identify need for public assistance programs and services, and make eligibility determinations.

Interpret and explain regulations, rules, policies and public assistance programs to clients and apprise them of their rights, responsibilities and eligibility for program participation.

Review, verify and investigate information received from clients by securing documentation, medical records and confirmations from other agencies to ensure the accuracy of data, resolve discrepancies and determine eligibility for assistance.

Determine and authorize reimbursement to providers for clients eligible for public assistance programs, including reimbursement and or payment for medical and burial expenses.

Develop and maintain appropriate case history documentation regarding actions taken and eligibility determination; identify needs, initiate appropriate referrals and monitor established clients.
Provide detailed information regarding eligibility requirements and refer clients to available community resources for other available assistance as needed.

Maintain caseload statistics by encoding computer data for supervisory and administrative review.

May train new and existing staff members on new or revised policies and regulations.
