FACILITIES CONTRACT AND SERVICES SUPERVISOR

DEFINITION

Under general supervision, plans, coordinates and supervises the facility management, custodial, landscaping, and snow removal contracts and services for Washoe County facilities; and performs related work as required.

EXPERIENCE AND TRAINING REQUIREMENTS

Three years of full-time progressively responsible building maintenance work experience in a supervisory or project management capacity in an institutional, industrial or large facility setting; OR an equivalent combination of education, training and experience.

LICENSE OR CERTIFICATE

A valid driver's license is required at the time of appointment.

SUPERVISION EXERCISED

Exercises direct supervision.

EXAMPLES OF DUTIES (The following is used as a partial description and is not restrictive as to duties required.)

Plan, prioritize, assign, supervise and review the work of contracted facility management services staff.

Supervise assigned staff, determine work performance standards, conduct performance evaluations, provide direction to staff, conduct employment interviews and handle disciplinary problems.

Consult with County Department to determine needs, priorities and establish service and oversee the delivery of contracted facility management services to County facilities through the development, implementation and evaluation of work standards and service levels.

Develop scope of work, terms, and conditions for contract providers for various facilities management services.

Develop specifications and cost estimates for floor and window treatments and other facility management requirements to be installed in County facilities, evaluating previous wear, usage/traffic patterns and site and safety requirements.

Conduct pre-bid vendor walk through, delineating job requirements and evaluating vendor proposals for feasibility, accuracy and specification compliance.

Perform interim and final inspections of installations and approve vendor payments, ensuring that jobs are completed in a timely, cost efficient and quality manner.

Negotiate and ensure compliance with contract terms and conditions, serving as a liaison between contractors and County user departments to investigate concerns, solve problems and ensure the quality of services provided.
Provide recommendations and cost estimates for purchase of products, equipment and services through assessment of service levels and quality.

Maintain an adequate inventory of custodial products and supplies at both the County warehouse and work sites to ensure the availability of necessary inventory levels.

Manage the contract services budgets; prepare annual budget projections, approve equipment, supplies and other expenditures within allocated funds; compile data and report on operational costs.

Coordinate office and furniture moves within the County and the disposal of surplus inventory.

Conduct inspections, review work-in-progress and ensure proper completion of assignments.

Ensure that assigned personnel perform duties and responsibilities in a safe and prudent manner that does not expose them or others to unnecessary harm of risk of on-the-job injury.
