FIREFIGHTER/EMT

DEFINITION

Under close supervision, performs firefighting activities in combating, extinguishing, preventing fires, providing basic emergency medical care and other related work activities connected with the response to emergency and other incidents; operates and maintains firefighting and rescue equipment; maintains fire stations; and performs related work as required.

EXPERIENCE AND TRAINING REQUIREMENTS

Graduation from high school or equivalent education and experience in firefighting or emergency medical services. This experience may be obtained through paid or volunteer work.

LICENSE OR CERTIFICATE

A valid driver’s license is required at the time of appointment.

Firefighter I certification or equivalent, which meets NFPA standards, must be obtained within six months of appointment.

Must possess current certification as an Emergency Medical Technician-Advanced at the time of application.

Possession of a valid Nevada or National Registry Paramedic certification and CPR certification must be obtained within one year of appointment.

Must have the ability to obtain a Nevada’s Class “B” Driver’s License with “F” endorsement, which complies with the Nevada Department of Motor Vehicles’ requirement within six months of appointment.

All licenses and certifications are required to be kept current and maintained for continued employment.

DISTINGUISHING CHARACTERISTICS

This is the entry and training level class in the Firefighter/Paramedic class series that provides for progression to the Firefighter/Paramedic level upon meeting the requirements of the class and recommendation of the appointing authority. Incumbents perform a variety of Firefighter/EMT assignments and receive continuous on the job training. Additional training may be required to achieve the necessary certifications.

This class is distinguished from the Firefighter/Paramedic class by the fact that incumbents perform a narrower range of duties under closer supervision. Incumbents may progress to the Firefighter/Paramedic position after satisfactorily completing the one-year probationary period and once full achievement of required certifications and experience of the Firefighter/Paramedic position is achieved.

Failure to meet full achievement of required certifications and experience of the Firefighter/Paramedic position within the 12 month probationary period will result in termination.
SUPERVISION EXERCISED

Exercises no supervision.

EXAMPLES OF DUTIES (The following is used as a partial description and is not restrictive as to duties required.)

Respond to fires and other emergency or public assistance incidents in a timely, safe, and skilled manner and participate in their control through hose laying, ladder operation, ventilation, extinguishment, extrication, salvage and other activities as part of team effort.

Perform as an emergency medical technician; rescue people endangered by fires or other hazards and administer first aid to injured parties when assigned.

Assist with maintaining the fire station in a clean and orderly condition.

Perform basic maintenance and flow tests on fire hydrants; perform minor maintenance on fire tools and equipment.

Participate in and receive training in fire control, prevention, hazardous materials, rescue, EMS and related life and property protection activities; study fire department rules, fire hazards, and firefighting including wildland firefighting and lifesaving techniques.

Operate specialized equipment such as wildland apparatus, chain saws, portable pumps, hydraulic rescue equipment, as assigned; assist in the inspection and maintenance of fire apparatus and equipment.

Conduct basic inspections and other fire prevention tasks including fire safety public education and presentations to eliminate or reduce fire hazards and enforce fire codes.

Perform various public information and public relations tasks; answer questions from the general public. Prepare and maintain various records, maps, and reports.

Ensure that assigned duties and responsibilities are performed in a safe and prudent manner that does not expose self or others to unnecessary harm or risk of on-the-job injury.

Perform related duties and responsibilities as assigned.

JOB RELATED AND ESSENTIAL QUALIFICATIONS
