BEHAVIORAL HEALTH PROGRAM COORDINATOR

DEFINITION

Under administrative direction, provides leadership and guidance on mental health issues, policies and programs; plans and coordinates the Behavioral Health Program of the Department of Social Services across the continuum to include children services, adult services and senior services; coordinates the mental health and substance abuse treatment programs in Washoe County with state, county and community organizations; and performs related work as required.

EXPERIENCE AND TRAINING REQUIREMENTS

A bachelor’s degree from an accredited college or university in Social Work, Mental Health Counseling, Psychology or other closely related field, plus five years of experience working in the field of human services and/or mental health leadership and management to include at least three years of supervisory experience; OR a similar combination of education and experience in the field of human services or mental health.

LICENSE OR CERTIFICATE

License to practice Social Work or Mental Health Counseling in the State of Nevada is not required, but highly desired. A valid driver's license is required at the time of appointment.

SUPERVISION EXERCISED

Exercises direct supervision over professional, paraprofessional and support staff.

EXAMPLES OF DUTIES (The following is used as a partial description and is not restrictive as to duties required.)

Provide leadership on mental health issues at the department, county, state and legislative levels to develop collaboration and effectiveness.

Identify the needs of the community, evaluate the quality of behavioral health services in accordance with the principles and best practices of the industry, address issues and concerns, resolve problems and develop plans and objectives.

Maximize the integration and cooperation of mental health and substance abuse treatment programs with the state, county and local organizations by developing collaborative working relationships with behavioral health service providers, community partners and other stakeholders to ensure high levels of service delivery are maintained, sharing information and resources, and coordinating activities in order to ensure service deliveries meet goals, standards and expectations.

Represent the department with committees, task forces, boards, community meetings, public and private entities, at legislative and public hearings and to the media, to include developing and making presentations on issues relating to the department’s Behavioral Health Program.

Collaborate with state and federal agencies to secure funding for behavioral health and drug abuse programs.
Plan, develop and administer budgets and fiscal accountability for assigned programs; monitor revenue and expenditures.

Supervise the activities and performance of assigned staff including training, work assignment and review, establishment of performance standards, employee discipline and performance evaluation.

Negotiate, administer and monitor contracts with service providers related to services necessary for program outcomes; analyze program statistics and management reports, and evaluate program outcomes.

Ensure that assigned personnel perform duties and responsibilities in a safe and prudent manner that does not expose them or others to unnecessary harm or risk of on-the-job injury.

**Full Performance** *(These may be acquired on the job and are needed to perform the work assigned.)*
