3. APPROVE NEW LEPC (Local Emergency Planning Committee) VOTING MEMBERSHIPS

Chair Smith outlined his concerns about new memberships not listing at least one alternate member on the application. Chair Smith contacted Reno Emergency Manager Tim O’Brien – Reno Fire Department, who submitted an application. Mr. O’Brien stated verbally to Chair Smith that Division Chief Tammy Lopes be added as his alternate.

member agency (e.g. City of Reno, Sparks or Washoe County) could have more than one voting member listed under different disciplines. It was noted that Washoe County Health District has representatives from Environmental as well as Administration. It was pointed out that the LEPC Executive Committee can amend the bylaws as needed should an issue arise.

Ms. Kandaras explained that she had reviewed SERC guidelines and the overall intent of the LEPC is to have broad representation on the committee. Ms. Kandaras noted that she had proposed the use of a “proxy vote” in the LEPC bylaws to avoid issues with quorum in the future with proper notice and that the requirement to limit each member agency to a single voting member had been removed. However, should an issue arise the bylaws may be amended annually.

*It was moved by Member Magenheimer, seconded by Chair Smith, to appoint Jeff Whitesides – Washoe County Health District Public Health Preparedness Manager, to the General Membership Committee with Carlotta Taylor and Christina Conti as alternates under Public Health. Chair Smith noted that Ron Percival – Channel 2 KTVN, had applied to serve on the General Membership Committee under the Media category but had not listed alternates.

Cathy Ludwig – Secretary/Treasurer, suggested that the Executive Committee approve the appointment of Mr. Percival with a request to appoint an alternate.
It was moved by Member Magenheimer, seconded by Chair Smith, to appoint Ron Percivalle – KTVN Channel 2, to the General Membership Committee under Media contingent upon the appointment of one or more alternates.

Ms. Kandaras noted that the current bylaws did not mandate that an alternate be appointed and that she did not believe such a contingency could be enforced.

The motion carried: Member Magenheimer, Chair Smith assenting; and Member Kenneston absent.

Chair Smith summarized the application to appoint Keith Sheridan – Ormat Technologies, Inc., to the General Membership Committee noting that Mr. Sheridan had not identified an alternate.

Ms. Ludwig noted that Ormat Technologies had previously been a member but had been removed from membership due to non-attendance. However, the absences were caused by previous member’s transfers within the organization.

During a brief discussion it was noted that the increased number of General Membership Committee members resulted in the increased number of attendees needed to meet the quorum requirement as identified in the Nevada OML (Open Meeting Law). It was suggested that the use of the “Proxy Vote” may alleviate the quorum issue as does the ability to participate in LEPC meetings via teleconference. It was suggested that any agency wishing to send a “Proxy Vote” notify the LEPC Secretary (Cathy Ludwig) not later than three (3) business days before the scheduled meeting.

It was moved by Member Magenheimer, seconded by Chair Smith, to appoint Keith Sheridan – Ormat Technologies, Inc., to the General Membership Committee contingent upon the identification of one or more alternates under the Community discipline. 4. DISCUSSION AND POSSIBLE ACTION FOR AMENDMENT TO LEPC (Local Emergency Planning Committee) BYLAWS

Mary Kandaras – Deputy District Attorney, provided an overview of the proposed amendments and explained that she would provide a “Proxy Vote” statement. Ms. Kandaras noted that she would place a requirement that the use of a Proxy Vote by any member agency be submitted a minimum of three (3) business days before the scheduled meeting.

During a brief discussion it was noted that the appointment of alternates should be made a requirement by adding the word “shall” in the bylaws under Article III - Membership, Section Three (3).
It was moved by member Magenheimer, seconded by Chair Smith, to accept the amendments to the Washoe Local Emergency Planning Committee Bylaws.

Responding to Chair Smith’s inquiry about whether Vice-chair Magenheimer could transition to the position of Chair without having served a full term, Ms. Kandaras explained that Vice-chair Magenheimer was completing an unexpired term, which she did not believe would pose any issue with his moving to the position of Chair in October 2011 as required in the bylaws.

The motion carried: Member Magenheimer, Chair Smith assenting; and Member Kenneston absent.
