5. **GRANT OPPORTUNITIES** (For possible action) – *Information and discussion of upcoming and/or existing LEPC grants.*

Cathy Ludwig, Grants Coordinator, noted that the 2016 SERC/HMEP Mid-Cycle grant for Planning and Training related to the transportation of hazardous materials had been received and distributed. There is $74,592.00 available in the training category and $46,545.00 available for planning category statewide. The total grant request cannot exceed $30,000.00 per LEPC and must pertain to hazardous materials transportation. Requests are due to Cathy Ludwig on December 31, 2015.

No specific action was taken.

6. **GRANT APPLICATION APPROVAL** (For possible action) – Approval to submit a 2016 State Emergency Response Commission (SERC), Hazardous Materials Emergency Planning (HMEP) grant application to the SERC. An additional approval will be brought forward to the LEPC after applications have been received and a dollar amount is determined.

Cathy Ludwig, Grants Coordinator, explained that SERC’s requirement is that LEPC’s must approve application submittals in advance of the grant application request.

*It was moved by Michelle Gitmed, seconded by Eric Millette, to approve the submittal of a 2016 SERC HMEP grant application to the SERC. MOTION CARRIED.*

7. **LEPC HAZMAT PLAN APPROVAL** (For Possible Action) – *A review, discussion and possible action of update to the LEPC Hazmat Plan.*

Aaron Kenneston recalled the update process and assistance provided by Reno, Sparks, Washoe County, and other members coordinated by Tom McKnight. Mr. Kenneston explained that the SERC requires annual updates of the Promulgation, which has already been signed by Chair Cleveland, by-Laws, as well as Resources, and other updates as specified on the NRT-1. Further, as a result of the Haz-Mat incident in the City of Sparks earlier this year, new hazardous waste vendor contacts were added to the plan. Mr. Kenneston recommends that the LEPC General Membership approve the revision.

*It was moved by Bob Sack, seconded by Scott Alquist, to approve the LEPC Hazmat Plan update, as presented. MOTION CARRIED.*

Ms. Rhodes commented that CERT volunteers had assisted in the drill at Incline Village and will provide child ID packets to 130 children on December 18, 2015. A crowd control exercise is set for volunteers on Saturday with volunteers assisting with security for the upcoming Christmas in the Corridor.

11. **LEPC PRESENTATION** (Non-action item) – *Presentation on the Washoe County Health District’s Jurisdictional Risk Assessment.*

Andrea Esp – Washoe County Health District, narrated a PowerPoint® presentation (copy on file) on public health preparedness. Ms. Esp noted that the assessment was conducted with input from 41 subject matter experts, which will guide future activities. The assessment looked at available resources and various hazards and how the region is poised for recovery. The intent is to identify and remedy any gaps in service or resources in a variety of areas such as acute care, mental health and other issues. While the region is prepared to respond to incidents, a number of areas need to be improved in recovery. The process will also assist in the identification of grant opportunities and increased capabilities in a variety of areas.

Brian Tayler suggested that member agencies be included in the process.

Aaron Kenneston reminded members that this is one area the Statewide Disaster Recovery identified as a weak area for this region by the Homeland Security Commission.

Brian Passow recalled his work with the Clark Count LEPC noting the OSHA has a Best Practices on Hazardous and Facilities, which identified the need for HAZWOPER training for healthcare workers dealing with patients exposed to hazards materials.

12. **LEPC OFFICER, ALTERNATE AND/OR MEMBER ANNOUNCEMENTS, REQUESTS FOR INFORMATION AND SELECTION OF TOPICS FOR FUTURE AGENDAS** (Non-action item) - *No discussion among committee members will take place on this item. The next regular meeting is scheduled at 9:00 a.m. February 18, 2016.*
Scott Alquist noted that radioactive materials and other hazards waste will resume shipment through the region in the near future. Mr. Alquist noted that he is in the initial discussion phases of bringing a track to the Regional Public Safety Training Center in October 2016 for training.

Chair Cleveland commented that more than half of the courses submitted for emergency management Bachelor's degree program have been approved and will be available in the fall of 2016. Additionally there has been discussion about adding a Cyber-Security course that he believes will benefit the region.
