**Time Limits.** Public comments are welcomed during the Public Comment periods for all matters, whether listed on the agenda or not, and are limited to three minutes per person. Additionally, public comment of three minutes per person will be heard during individual action items on the agenda. Persons are invited to submit comments in writing on the agenda items and/or attend and make comment on that item at the Commission meeting. Persons may not allocate unused time to other speakers.

**Responses to Public Comments.** The Commission can deliberate or take action only if a matter has been listed on an agenda properly posted prior to the meeting. During the public comment period, speakers may address matters listed or not listed on the published agenda. The Open Meeting Law does not expressly prohibit responses to public comments by the Commission. However, responses from Commissioners to unlisted public comment topics
could become deliberation on a matter without notice to the public. On the advice of legal
counsel and to ensure the public has notice of all matters the Commission will consider,
Commissioners may choose not to respond to public comments, except to correct factual
inaccuracies, ask for County staff action or to ask that a matter be listed on a future agenda.
The Commission may do this either during the public comment item or during the following item:
“**Commissioner’s Comments:** (This item limited to announcements or topics/issues proposed
