SUBJECT: Review, discussion, and possible recommendation to the Board of County Commissioners to approve the Blackstone Estates Park Agreement between Washoe County and JC Blackstone, LLC for use of Residential Construction Tax funds [not to exceed $280,000] to build the Blackstone Estates Park.

SUMMARY
The Blackstone Estates Park project will consist of the build out of a neighborhood park. Improvements will include several benches and picnic tables, a bike rack, pet station, shade structure, walking paths, turf area and a playground, as well as irrigation and landscaping (see Exhibit 2).

Construction of the park is being partially funded through the use of Residential Construction Tax collected through the construction of the Blackstone Estates and Sugarloaf Ranch subdivisions. The remaining costs will be funded by the developer. The park will be constructed on land to be conveyed to the Homeowners’ Association (HOA) and the HOA will manage and maintain the park in perpetuity, pursuant to a subsequent agreement between Washoe County and the HOA. Per the Blackstone Estates Park Agreement, the subsequent agreement between Washoe County and the HOA must be executed before the park is conveyed to the HOA.

Washoe County Strategic Objective supported by this item: Safe, Secure and Healthy Communities

PREVIOUS ACTION
May 7, 2019 – The Washoe County Planning Commission approved Amendment of Conditions Case Number WAC19-0002 (Exhibit 1) to amend the conditions of approval for Tentative Subdivision Map Case Number TM15-001. The conditions of approval for TM15-001 required the developer of the Blackstone Estates subdivision to construct a neighborhood park prior to the recordation of the 80th lot within the subdivision. The amended condition requires construction of the park prior to the recordation of the 107th lot in the subdivision, or issuance of the Certificate of Occupancy for the 80th home, whichever occurs first.
October 4, 2016 – The Planning Commission approved Tentative Subdivision Map Case Number TM15-001, which allowed for the creation of 161 lots for a single family residential subdivision. As proposed by the applicant, the conditions of approval required the developer to construct a neighborhood park prior to the recordation of the 80th lot within the subdivision.

BACKGROUND

In 2016, a tentative subdivision map application was submitted to the Washoe County Community Services Department for a 161-lot single family detached, common open space subdivision along Calle de la Plata in Spanish Springs. The developers proposed the construction of a neighborhood park within the subdivision to serve residents in the area. Terms were negotiated and Washoe County agreed to reimburse the developers with the Residential Construction Tax (RCT) funds generated through this development as well as an adjacent development (Sugarloaf Ranch subdivision) being undertaken by the same developer.

In order to utilize RCT funds, Washoe County Regional Parks and Open Space also required that the park remain open to the public during normal park hours and that the HOA agree to manage, maintain, update, and repair the park in perpetuity. Per condition of approval 1.y for Tentative Subdivision Map Case Number TM15-001, the developer was required to complete construction of the neighborhood park prior to the recordation of the 80th lot. Due to staff turnover, Washoe County Regional Parks and Open Space was unable to execute a park construction agreement with the developers in a timely manner. Thus, the developer requested an amendment of condition 1.y to allow for additional time to construct the park. The amended condition requires construction of the park prior to the recordation of the 107th lot in the subdivision, or issuance of the Certificate of Occupancy for the 80th home, whichever occurs first.

Per the staff report for TM15-001, the exact location of the park is subject to change, but will likely be located along the western edge of the subdivision and must be a minimum of 1.5 acres in size. Specific amenities will include benches, picnic tables, playground infrastructure, and turf area. The layout of the park was developed through consultation with Washoe County Regional Parks and Open Space and conforms to Washoe County standards.

Consistency with the 2019 Washoe County Regional Parks and Open Space Master Plan

While the 2019 Washoe County Regional Parks and Open Space Master Plan (Parks Master Plan) had not been completed when the original tentative parcel map was approved requiring construction of the Blackstone Estates Park, it should be noted that construction of the park does conform to the goals and policies of the draft Parks Master Plan. Specifically, Strategy 1.B.4 states “Encourage individuals, private foundations, and/or private developers to give donations of land, gifts, and/or cash for construction of public recreation facilities.” The current project would not be possible without the donation of land and cash from the developer. Additionally, the Spanish Springs Planning Area Map identifies underserved residents located less than 1 mile away from the proposed park location. The construction of the Blackstone Estates Park will fill an existing gap and provide recreational amenities to an underserved community.
**FISCAL IMPACT**

A total of $280,000 Residential Construction Tax (RCT) is estimated to be generated from the construction of the Blackstone Estates subdivision and the Sugarloaf Ranch subdivision. RCT funds collected will be reimbursed to the developer based on the park total design and construction costs or $1,000 per house completed in both subdivisions up to $280,000, whichever is less.

RCT funds collected will be posted in the Parks Capital Fund (404), District 2C Spanish Springs (900280). Reimbursements will be paid to the developer as RCT funding is available and invoices and request for reimbursement are received. A project account number will be established for this project.

There will be no maintenance costs to the County. All maintenance associated with the park will be the responsibility of the Homeowners’ Association.

**RECOMMENDATION**

It is recommended that the Park Commission recommend that the Board of County Commissioners approve the Blackstone Estates Park Agreement between Washoe County and JC Blackstone, LLC for use of Residential Construction Tax funds [not to exceed $280,000] to build the Blackstone Estates Park.

**POSSIBLE MOTION**

Should the Commission agree with staff’s recommendation, a possible motion would be: “Move to recommend to the Board of County Commissioners approval of the Blackstone Estates Park Agreement between Washoe County and JC Blackstone, LLC for use of Residential Construction Tax funds [not to exceed $280,000] to build the Blackstone Estates Park.”

Art. 2  PARK TO BE CONSTRUCTED; TAX CREDIT REIMBURSEMENT AUTHORIZED.

§2.01  Park Design and Construction. Developer agrees, at its own expense and risk, to design and construct the Park as provided below.

¶2.01.A  Location and size. The Park shall be built in the location depicted on the tentative map and at the size required by the Amended Conditions of Approval, Condition 1.y (“Applicable Condition”), as described in Exhibit 1.

¶2.01.B  Prior approvals. Developer has submitted and the County has approved the conceptual design and layout of the subject Park, which is attached to this Agreement as Exhibit 2. The Parties agree that any additional minor comments will be addressed at the Building Permit stage. Any changes requested by the County after a building permit has been issued shall be considered change orders subject to the provisions of ¶2.01.C.2.

¶2.01.C  Pursuit of construction; change orders; risks.

1. Developer agrees to commence and complete construction in accordance with the Applicable Condition.

2. Developer assumes all risks associated with cost overruns and change orders, neither of which need be approved by the County, it being understood that Developer shall construct the Park in accordance with the plans and specifications approved by the County; provided, however, all costs, fees and expenses incurred by Developer related to any change orders...
requested by County to the approved design plan shall be paid for by County, in cash, upon completion of construction of the Park and Developer providing to County such reasonable documentation to support any such costs, fees and expenses incurred in connection with any such change orders.

3. All risk of loss or destruction of work or facilities in progress shall be borne by Developer; provided, however, that the homeowners association shall undertake maintenance of, insurance and risk of loss to the Park upon receipt of written notice of completion of construction from Developer that the improvements related to the Park site are completed and recordation of a deed conveying the Park to the Homeowner’s Association. A Park Maintenance Plan shall be included in the Homeowner’s Association CC&Rs. The roles and responsibilities of the maintenance of the Park will be outlined in a subsequent and separate Maintenance Agreement between Washoe County and the Homeowners Association. This Maintenance Agreement must be completed and approved by the Washoe County Board of County Commissioners before the park is conveyed to the Homeowner’s Association.

¶2.01.E Inspections; final inspection; final amounts of reimbursement.

1. County agrees that, at its sole cost and expense, it shall assign an inspector to monitor and inspect the construction of all improvements related to the Park for compliance with the approved plans and specifications in order to facilitate its timely and orderly completion.

2. Not later than five (5) days prior to completion of construction of the Park, Developer shall provide a written notice of completion to the County and County shall cause a final inspection within five (5) business days. Any items not in conformance with the approved plans and specifications shall be noted on a “punch list” and promptly completed by Developer. Developer shall issue a notice of completion of construction to County upon completion of any items on a punch-list or, if no items were noted, on the date set forth in the five (5) day notice provided for in the first sentence of this paragraph.

3. Upon completion of the "punch list," Developer shall submit proof of the actual costs of construction and the Operations Division Director shall determine a final reimbursement amount for the Park not to exceed two hundred eighty thousand dollars ($280,000).

¶2.01.F Construction standards, practices and indemnification.

1. Developer warrants, represents and agrees that all improvements constructed by Developer hereunder (i) shall be built in accordance with plans and specifications approved by the County; (ii) shall be built in compliance with Applicable Law, including that the Park equipment shall be placed in the Park based upon standards set by the U.S. Consumer Product Safety Commission; (iii) shall be constructed in a workmanlike manner; (iv) shall be built with new materials (unless otherwise agreed) which shall be free from faults and defects; and (v) shall be free from the release of hazardous substances as defined NRS 40.504 and 40.505.

2. Developer shall follow best management practices regarding the management of the staging, storage and work sites and shall at all times keep the premises free from accumulation of
waste materials, and at the completion of the work shall remove all waste materials, rubbish, tools, supplies and equipment.

3. Each Party hereby agrees to indemnify, defend, and hold the other Party harmless against any and all liability, claims, costs, or expenses arising directly or indirectly: out of a breach of the covenants, representations, and warranties by the indemnifying Party to the other Party to this Agreement. Developer shall hold harmless, indemnify and defend County from and against any and all claims, demands, and losses of third parties arising out of or related to the design and construction of the improvements specified herein, resulting from the actions of Developer or any consultants or subcontractors under their direction and control.

§2.01.G No agency, partnership or joint venture. It is specifically understood and agreed to by and between the Parties that (i) the improvements made hereunder are private and the County has no interest in or responsibilities for, or due to, third parties concerning any improvements; (ii) Developer shall have full power over and exclusive control over them; and (iii) County and Developer hereby renounce the existence of any form of agency relationship, joint venture, partnership or other co-relationship and agree that nothing contained herein or in any document executed in connection herewith shall be construed as creating any such relationship between County and Developer.

§2.02 RCT Payment and Reimbursement Schedule. Upon completion of the Park, Developer shall submit invoices to County evidencing the total cost of design and construction. Developer shall be entitled to reimbursement of Blackstone and Sugarloaf subdivision residential dwelling units RCT payments for (a) the total cost of design and construction, or (b) one thousand dollars ($1,000) per house completed in the Blackstone Estates and Sugarloaf Ranch subdivisions, up to two hundred eighty thousand dollars ($280,000), whichever is less. The Parties agree that Developer is likely to complete the Park before County has collected RCT funds for a sufficient number of residential dwelling units to offset the cost of Park construction up to the agreed upon limit of reimbursement.

County shall collect RCT funds from Developer for the Blackstone and Sugarloaf subdivisions at the time of building permit issuance for each residential dwelling unit in accordance with the usual procedures and practices of County. On a quarterly basis after completion of the Park, Developer shall submit an accounting using the form attached as Exhibit 3 which includes the following information: (a) the total amount of reimbursement due under this Agreement; (b) the amount of RCT funds paid; (c) the requested reimbursement for the period which shall not exceed the amount of RCT funds paid but not reimbursed; and (d) the balance of (b) and (c). The County shall issue reimbursement to Developer within ____ days following receipt of an accounting.

Art 3. TERM, DEFAULT, NOTICE AND REMEDIES.

§3.01 Expiration of this Agreement. This Agreement expires and automatically terminates when the full amount of the approved credits have been issued.

§3.02 Obligations on expiration or termination; survival. The provisions regarding
maintenance, indemnifications, remedies, attorneys’ fees, governing law and jurisdiction survive the termination and expiration of this Agreement.

§3.03 Excuse due to force majeure.

¶3.03.A. Except as provided elsewhere herein, if a “force majeure” makes performance of an obligation or cure of a breach or default impossible, such performance or cure is excused for the duration of the force majeure provided that the obligated party (i) within a reasonable time after the commencement of the force majeure notifies the other Party of the nature of the force majeure, when it commenced, why it makes performance or cure impossible, and the expected duration (if known), and (ii) agrees to and does in fact diligently pursue remediation of the effects of the force majeure, and (iii) agrees to notify the other Party immediately when it becomes possible to commence efforts to cure the default.

¶3.03.B A “force majeure” is defined as (i) without the fault of and beyond the reasonable control of the obligated party, a war; insurrection; riot; flood; earthquake; fire; casualty; act of God; act of a public enemy; quarantine restriction or other effect of epidemic or disease; freight embargo; weather-caused delay; lack of transportation attributable to any of these; or a lawsuit challenging the validity or approval of this agreement if an order is entered prohibiting performance by the obligated party, and so long as the obligated party defends such lawsuit with reasonable diligence; or (ii) labor strikes, boycotts or picketing (unless the labor action is taken because of a violation of the prevailing wage provisions in this Agreement, if any); (iii) provided, however, that if the breach or default is the failure to pay money, the force majeure must actually prevent access to or payment from a bank account or payment mechanism, such as during a banking holiday, moratorium, or sabotage of wire or automated transfer systems. A force majeure does not include general economic or market conditions, or the financial condition of a party even if they are influenced by any of the foregoing.

¶3.04.C. A force majeure is deemed to cease for purposes of this Agreement and a Party is deemed to be in breach of an obligation or cure when it becomes possible for the obligated party to commence to perform the obligation or cure.

§3.05 Default, notice and right to cure.

¶3.05. A. Default. Subject to §3.04, a default occurs when (i) any representation of a material fact expressed herein was false at the time it was made, or, if a continuing representation, becomes false as a result of a subsequent event or occurrence; (ii) any warranty made herein is breached at the time made or, if a continuing warranty, is breached as a result of a subsequent event or occurrence; (iii) any Party repudiates, breaches or fails to perform any covenant, material term or provision in this Agreement; (iv) an event required to occur does not occur by the time required; or (v) any Party misrepresents a material fact, or omits to state a material fact, for the purpose of inducing another Party to act or which is relied on by another Party in deciding a course of action during the administration of this Agreement.
¶3.05.B. Notice and right to cure. In the event of the default, the non-defaulting Party shall provide notice and the defaulting Party shall have THIRTY DAYS or such other time frame agreed upon between the Parties from the date that the notice is deemed given to cure the default.

§3.06 Remedies.

¶3.06.A. Remedies by County: In the event of a default by Developer, County may (i) terminate this Agreement; (ii) suspend any counter-performance due hereunder; and/or (iii) bring an action for damages or injunctive relief; or (iv) pursue any other remedy specifically provided in this Agreement or afforded by law.

¶3.06.B Remedies by Developer. In the event of a default by County, Developer may (i) suspend any counter performance due hereunder; (ii) terminate this Agreement; (iii) bring an action for damages or injunctive relief; or (iv) pursue any other remedy specifically provided in this Agreement or by law. Any election by Developer under this Paragraph 3.06B shall not affect the right of Developer to recover funds expended on Park improvements.

¶3.06.C. Remedies cumulative. All remedies stated in this Agreement are cumulative with each other and with any remedy afforded in law or equity. The election of any remedy does not constitute a waiver of any other remedy.

§3.07 Waivers. Any forbearance, inaction, or failure to promptly pursue any remedy (whether intentional or negligent) shall not be deemed a waiver of any default or remedy. Waivers must be expressed in writing signed by the waiving Party, and a waiver of a default is limited to the specific default identified in the written waiver and does not constitute a course of dealing or implication that similar defaults will be waived in the future.

Art 4. GENERAL TERMS
