

Washoe County Regional Parks & Open Space Presents

Bird Art in the Park

SUMMER 2020 WORKSHOPS

Lazy 5 Regional Park, Spanish Springs

Saturday, July 25th, 2020

9:30-11:30am*

“Drawing Birds to ID Them”

For Part I of the "Bird Art in the Park Workshop" series, Park Ranger Sarah will teach techniques for drawing birds or keeping a bird journal as a way to help you identify the species. Part of this workshop will involve walking around the park to observe and identify birds to inspire your bird drawing. Bird books and images will be provided for reference. All art supplies for this drawing workshop provided, however, feel free to bring your own. Be prepared for a 30 minute walk/hike.

“Photographing Birds
for Art & Identification”

For part II of the "Bird Art in the Park Workshop" series, Park Ranger Gabe will teach techniques for photographing birds. We will then put these techniques into practice on a walk through the park. All photography skill levels are welcome. A camera with manual settings is recommended, but not required. Be prepared for a 30 minute walk/hike.
