

## Autumn Wreath

### Materials:

- Paper plates
- Leaf Outlines PDF
- Coloring utensils
- Scissors
- String/twine
- Glue

### Directions:

1. Using your scissors, cut out the middle of the paper plate.

2. Print off the Leaf Outlines PDF. Color in the leaves and acorns and cut them out.

3. Glue on your leaves and acorns to the paper plate.

4. Attach your twine/string so you can hang up your new autumn wreath!
