

## Fork Painted Polar Bear

### Materials:

- Polar Bear Face PDF
- White paint
- Fork
- Colored construction paper
- Scissors
- Glue

### Directions:

1. Print off the Polar Bear Face PDF. Cut out the ears, eyes, and mouth.
2. Using your fork as a paintbrush, paint on the construction paper the outline of a head for your polar bear. Have fun with it!

3. Once you have painted your polar bear head, glue on the ears, eyes, and mouth of the polar bear. Set aside to dry.
