 Facility Type To

Select Location Map

1. Ensure Facility Type is “Campsite”
2. Select your arrival date (**must be at least 3 weeks away**)
3. Select your stay length (**7 day maximum**). Select “Overnight” as your stay type.
4. Enter the number of guests (**7 persons maximum**)
5. Click “Check Availability” to search for a site.
 - a. Available sites will display a green tent.
6. Roll your mouse over the tent icon to get information on the site and its availability.
 - a. This will tell you if a site is an RV or tent site, as well as if the site is designated accessible.
 - b. When you have selected your site, click on the tent, and enter “**LastName-SiteNumber-StartDay**” into the description section. (ie. “**Smith-site99-May22**”)
7. Sign in or create an account.
8. On the Reservation Checklist/Questions page, open the permit waiver, review it, and initial the agreement.
9. Read and answer the custom questions.
10. Review your charges, and pay with a credit card.
11. You will receive an email confirmation.
