Application for Senior Services Advisory Board

Additional Information:
I am currently an alternate member of the Washoe County Senior Services Advisory Board and seek appointment to the At-Large position, which will be vacated by Marys Kupfersmith if she is appointed to fill the open District 2 seat, so that I will again have a permanent voice on the board. I have been a very active member of the board since my appointment to the board in 2013—being a member of the leadership team, helping organize candidate forums, Older Americans Month, helping fundraise for needy seniors, and training seniors in advocacy skills. I am currently the Chair of the Reno Senior Citizen Advisory Committee and have worked to build strong working relationships between the Reno advisory group and the WCSS advisory group so we can work together to advocate for all our seniors to improve programs for them locally, and at a state and federal level. I am an active senior citizen and know the value of having strong community programs to keep seniors healthy, active and engaged. I have served as a leader of many community groups and know how to get things done efficiently and creatively in the group process. I've been involved in senior issues for over 20 years as a caregiver and community volunteer and want to continue to support Washoe County's senior program development and expansion with my time, expertise and passion.

Additional Information:
I have dedicated my career to serving elders and people with disabilities in our community. I am passionate about civic engagement and building assets in Northern Nevada to create a healthy future. I am resigning from my state career after ten years in the Aging and Disability Services Division in order to devote more time to my start-up nonprofit, the Neighbor Network of Northern Nevada (N4) - a new village/time exchange. This will afford me additional time to serve on the Senior Services board and provide any necessary support. I very much look forward to future collaborations and doing good work for elders in our community.

N4 is an innovative new nonprofit organization in Washoe County and is Nevada’s first community village similar to the senior villages found nationwide. We are implementing fully inclusive (not just for seniors) programs consisting of a time bank for exchanging services, information & referral to existing community resources, meaningful social activities, and a volunteer program (to include a ride program). Development of N4 first started in July 2015 after being awarded a federal grant for designing a promising solution for meeting the transportation needs of people with physical and developmental disabilities (DD), seniors, veterans, low income families, and others living in Northern Nevada as a way to increase citizens’ access to healthcare.

I believe someone needs to speak for seniors. We have many that can’t or are afraid to speak for themselves. I have seen senior abuse and neglect and feel I’m a good fit for this volunteer position. I am now a senior myself but have a strong voice and a commitment to serve as long as I am able.

Application for Senior Services Advisory Board

Additional Information:

As a young girl, I volunteered at a retirement home, and this experience has stayed with me and touched me. During my life, there have been more situations I have been involved with senior citizens. My working experience with the department and the knowledge of the role of the Advisory Board, would be beneficial. Two years ago, I volunteered on several focus groups that the Senior Services Department recruited in the development of their focus and goals. I expressed interest in assisting the department to the current Director in other capacities as well. I have had personal desire to participate on the Advisory Board.

Hello Ms Williams;

I want to clarify my application for the voluntary position on the Senior Advisory Board, District 5 application. Specifically the volunteer section. I am NOT currently serving with the Washoe County Search and Rescue group. I entered a date in the two fields related to dates served, and when the save bar is clicked, the fields default to present.

My dates of service were 2005 to 2007. I attempted to correct this twice and both times the fields defaulted to present.

Best regards,

Daniel Scinto
