WANT TO CHANGE A LIFE?
Be a trained Senior Health Advocate to help inform other seniors about services in our community!

What will a Senior Health Advocate be doing?

- Educating elders about their rights;
- Making a real difference in the lives of lonely elders who often feel powerless;
- Being constantly challenged by new and different situations;
- Being able to draw from life skills and experiences to be an effective helper;
- Being part of a community of volunteers who are passionate about helping elders

• Are you 50+ and enjoy volunteering?
• Do you know someone who is 50+ who would love to volunteer?
• Are you someone who wants to receive help from a Senior Health Advocate?
• Are you self-directed, willing to take initiative, and detail-oriented?
• Are you dependable and punctual?
• Volunteer to change your life and others!
