JOIN AARP NV FOR AGE FRIENDLY RENO MONTHLY MEETINGS
LAST THURSDAYS -1:30-3PM

Nevada is one of the fastest growing states for elders and Washoe County is one of the fastest growing counties for elders in Nevada!

Help Reno become a more livable community that is safe and secure, has affordable and appropriate housing and transportation options, and has supportive community features and services.

Once in place, those resources enhance personal independence, allow residents to age in place; and they foster residents’ engagement in the communities civic, economic, and social life.

Boomers and Millennials want the same Livable Community features – Age Friendly isn’t about “older people” it’s about everyone - IT’S ABOUT US.

What makes a community great? WHAT DO WE ALL NEED TO THRIVE?
