**Responses to Public Comments** – The 800 MHz Joint Operating Committee can deliberate or take action only if a matter has been listed on an agenda properly posted prior to the meeting. During the Public Comment period, speakers may address matters listed or not listed on the published agenda. The Open Meeting Law does not expressly prohibit responses to public comments by the 800 MHz Joint Operating Committee. However, responses from 800 MHz Joint Operating Committee to unlisted public comment topics could become deliberation on a matter without notice to the public. On the advice of legal counsel and to ensure the public has notice of all matters the 800 MHz Joint Operating Committee will consider, 800 MHz Joint Operating Committee may choose not to respond to public comments, except to correct factual inaccuracies, ask for Washoe County staff action or to ask that a matter be listed on a future 800 MHz Joint Operating Committee meeting agenda. The 800 MHz Joint Operating Committee may do this either during the Public Comment item or during the following item: **“800 MHz JOINT OPERATING COMMITTEE MEMBERS AND/OR STAFF ANNOUNCEMENTS, REQUESTS FOR INFORMATION AND SELECTION OF TOPICS FOR FUTURE AGENDAS** [Non-action item].”

This facility is accessible to the disabled. Persons with disabilities who require special accommodations or assistance (e.g., sign language, interpreters or assisted listening devices) at the meeting should notify the Washoe County Manager's Office, 328-2000, 48 hours before the meeting.
