4. ELECTION OF OFFICERS [For Possible Action]

a. Secretary

Paul Wiley, City of Reno, nominated and moved to elect Austin Mills, Washoe County School District as Secretary; Jenn Felter, Washoe County, provided the second. Mr. Mills accepted the nomination and there were no other nominations. There was no response to the call for public comment; upon a call for a vote, the motion carried unanimously.

5. NEVADA SHARED RADIO SYSTEM UPDATE [For Discussion Only] – A review and discussion on the progress of Washoe County, NDOT and NV Energy on Nevada Shared Radio System project, including but not limited to, progress of planning, design and construction activities in Region 2 of NSRS, end-user equipment installation and programming, and project expenses. Quinn Korbolic & Melissa Lawney – Washoe County Technology Services

Melissa Lawney, Washoe County Technology Services, reviewed her presentation for the item sharing updates on the microwave and router installations scheduling; site development progress for Red Mountain, Smokey Quartz, Red Peak, Yellow Peak and Cold Springs; site enhancements for Fox Mountain and Marble Bluff; and possible scenarios for the Tahoe Biltmore site. She noted the microwave installations had been delayed and consolidated into three phases (May 2022-October 2022) and router installation would begin this year. There is concern with the delay in being assigned a BLM resource to help with the Red Mountain, Smokey Quartz and Yellow Peak sites. The Fox Mountain solar installation is expected to begin mid-October. With the approval of the Boulder Bay project at the Tahoe Biltmore, alternate location scenarios are being developed should it not be possible to maintain the current site. In response to Chair Mullen, Ms. Lawney indicated the new Smokey Quartz site would help with the coverage in the PahRah interloop area in Sparks. She provided an update on the construction management timeline for the Marble Bluff RFQ and the coordination with the Bureau of Indian Affairs Environmental Team.
