            CONTRACT FOR BODY WORN CAMERAS AND RELATED SUPPLIES [For possible

            Commissioners (BCC) approve reimbursement to the City of Reno (up to $428,776.40) for the
            second year contract to continue the agency’s body worn camera program.

SUMMARY
The 79th Nevada Legislature passed Senate Bill 176 (SB 176), which requires uniformed peace
officers employed by a law enforcement agency and who routinely interact with the public to
wear a body worn camera device effective July 1, 2018. SB 176 expanded the permissible use of
the county’s 911 telephone line surcharge fund to include the purchase and maintenance of body
worn cameras.

In compliance with the “Washoe County Board of County Commissioners’ Policy” adopted
January 16, 2018, the City of Reno, City of Sparks and Washoe County have mutually agreed
upon equipment from Axon Enterprise, Inc., to provide body worn cameras for the region. The
City of Reno received a quote for body worn cameras and related supplies for use by the Reno
Police Department and the Reno Municipal Court Marshal Division through the State of Nevada
“3273 – Contract for Services of Independent Contractor” awarded to Axon Enterprise, Inc.
(formerly Taser International). The quote is for five (5) years for a total of $1,765,104.96; the
second year of the contract is for $428,776.40.

The City of Reno will pay the second year expense of the contract and is requesting the Washoe
County 911 Emergency Response Advisory Committee recommend that the Board of County
Commissioners approve reimbursement to the City of Reno for the second year of the contract.

NRS APPLICABLE:
NRS 244.7643 and NRS 244A.7645 Provides approval of costs associated use of the county’s
911 telephone line surcharge fund to purchase and maintain body worn cameras.
