

AB 345 - VOTER REGISTRATION

Qualifications to Register to Vote

Must be a citizen of the United States;
Must be 18 years old or older on or before Election day; and
Continuously resided within the county since May 10 and your precinct since May 30

Requirements for Same Day Registration

In order to qualify for "Same Day Registration" you must have a current and valid Nevada Driver's License or Nevada ID with your current residence. If you have not updated your address with the DMV you will be required to provide separate proof of residency.

Provisional Ballot

Individuals that register to vote same day will be issued a provisional ballot. After June 12 the counties and state conduct a verification process of eligibility prior to provisional ballots being counted.
